Pursuant to Minn. Stat. § 326B.082, subd. 12 (b) (2014), the Commissioner also hereby orders Respondent and its principals, during the period of registration suspension, to cease and desist from performing public or private sector commercial or residential building construction or improvement services for which registration in the Construction Contractor Registration Program is required.

The Commissioner takes the above action based upon the following Findings of Fact and Conclusions of Law:

IV. DETERMINATION OF PENALTY AMOUNT

In determining the amount of the penalty, the Commissioner considered: the extent of deviation from compliance; whether the violations were willful; the gravity of the violations; the number of violations; whether there is a history of past violations; whether Respondent gained economic benefit in not complying with the law; and other factors as justice may require.
