Re: Licensing Order
Our Investigative File #REG1410-00010/KBU

Dear Mr. Rodriguez:

As you know, the Minnesota Department of Labor and Industry, Construction Codes and Licensing Division, has received evidence that your company has engaged in violations of Minn. Stat. § 181.723(2012) and 326B.081 to 326B.085(2012). The Department has concluded its investigation into this matter. This letter is to inform you of the results of that investigation.

The Department has prepared a Licensing Order by which your company's registration is suspended and a civil penalty of \$5,000 is assessed. Enclosed you will find a copy of the Licensing Order containing the basis for the Department's action.

You have the right to contest this Licensing Order by requesting a hearing within 30 days. In the event a hearing is requested, it would be held before an Administrative Law Judge ("ALJ") who, after hearing the evidence, would make a determination of whether or not violations have occurred. The ALJ would then issue a recommendation to the Commissioner. If the ALJ finds that the violations occurred and the penalty is reasonable, the Order will become final and the civil penalty will become due and owing. You would have the right to be represented by legal counsel throughout these proceedings, but you are not required to have legal counsel.

If you have any questions, please contact me directly.

Sincerely,

Pursuant to Minn. Stat. §§ 181.723, subs. 7 and 8a; 326B.082, subd. 12 (b); and 326B.083 (2012), the Commissioner hereby assesses against Respondent a monetary penalty of \$5,000.

Pursuant to Minn. Stat. § 326B.082, subs. 11(b) and 12 (2012) and Minn. Stat. § 326B.083 (2012), the Commissioner hereby suspends the Contractor Registration of Respondent, No. IR661174, until such time that Respondent provides a complete answer to the Commissioner’s October 17, 2014 subpoena and pays the civil penalty imposed herein.

Pursuant to Minn. Stat. § 326B.082, subd. 12 (b) (2012), the Commissioner also hereby orders Respondent and its principals, during the period of contractor registration suspension, to cease and desist from performing public or private sector commercial or residential building construction or improvement services for which registration in the Minnesota Construction Contractor Registration Program is required.

The Commissioner takes the above action based upon the following Findings of Fact and Conclusions of Law:

II. FINDINGS OF FACT

1. In determining the amount of the penalty, the Commissioner considered: the extent of deviation from compliance; whether the violation was willful; the gravity of the violation; the number of violations; whether there is a history of past violations; whether Respondent gained economic benefit in not complying with the law; and other factors as justice may require.
