Pursuant to Minn. Stat. §§ 326B.082, subds. 11(b) and 12, and 326B.083 (2014), the Commissioner hereby suspends the construction contractor registration of Respondent, No. IR667954, until such time that Respondent provides a complete response to the Commissioner’s August 25, 2016 subpoena and pays the monetary penalty assessed above.

Pursuant to Minn. Stat. § 326B.082, subd. 12 (b) (2014), the Commissioner also hereby orders Respondent and its principal(s) to cease and desist from performing public or private sector commercial or residential building construction or improvement services for which registration in the Construction Contractor Registration Program (“Registration Program”) is required until full compliance with this Licensing Order is achieved, including the submission of a complete response to the Commissioner’s August 25, 2016 subpoena and payment of the monetary penalty assessed above.

Pursuant to Minn. Stat. § 326B.082, subd. 11(a)(b)(5) (2014), the Commissioner also hereby orders Respondent and its principal(s) to cease and desist from registering in the Registration Program under the business name L.R. Construction LLC or any other business name.

The Commissioner takes the above action based upon the following Findings of Fact and Conclusions of Law:

II. FINDINGS OF FACT

1. Respondent is engaged in the business of providing building construction or improvement services and held a construction contractor registration, No. IR667954, issued by the Commissioner on May 21, 2013. The registration expired December 31, 2015 and has not been renewed. In its registration, Respondent asserted that it is owned solely by Luis Rojas Martines and that its business address is 4708 US 61, White Bear Lake, MN 55110

2. According to the records of the Minnesota Workers Compensation Insurance Association, Luis Rojas Martines was the 100% owner of L.R. Construction LLC.
3. According to the records of the Minnesota Secretary of State, L.R. Construction LLC had a registered office at 4708 US 61, White Bear Lake, MN 55110. The company's business registration was administratively terminated by the Secretary of State on June 10, 2015.
4. As a registered construction contractor, Respondent must adhere to the Minnesota statutes and regulations governing Contractor Registration and construction worker classification, Minn. Stat. §§ 181.723, 326B.701, and 326B.081 to 326B.085 (2014) and Minn. R. Chapter 5224 (2015).
5. As a result of a review of the records of PESI Inc., the Minnesota Department of Labor and Industry ("Department") opened an investigation of Respondent on August 17, 2016 based on information that indicated Respondent may have engaged in violations of the Minnesota statutes and rules governing worker classification in the construction industry.
6. On August 25, 2016, a Department investigator mailed a subpoena duces tecum via first-class and certified mail to Respondent at its White Bear Lake address.
7. The subpoena required the production of documentation relating to Respondent's subcontractors, contractors, and employees. The subpoena sent via certified mail was returned by the United States Postal Service ("USPS") marked "Unable to Forward." The subpoena sent via first-class mail was not returned by the USPS.
8. When Respondent failed to respond to the subpoena, the Department investigator mailed a second request for information to Respondent at the White Bear Lake address on September 30, 2016. The letter was not returned by the USPS.
9. Both the subpoena and supplemental request for information required a response from Respondent within 30 days of the Commissioner's service of the same.
10. The Commissioner has received no reply from Respondent as of the date of this Order

III. CONCLUSIONS OF LAW

1. Respondent committed a violation of applicable law. Minn. Stat. §§ 181.723 (2014) and 326B.082, subd. 11 (b)(1) (2014).
2. Respondent failed to comply with a subpoena issued by the Commissioner. Minn. Stat. § 326B.082, subd. 11 (b)(6) (2014).

IV. DETERMINATION OF PENALTY AMOUNT

In determining the amount of the penalty, the Commissioner considered: the extent of deviation from compliance; whether the violation was willful; the gravity of the violation; the number of violations; whether there is a history of past violations; whether Respondent gained economic benefit in not complying with the law; and other factors as justice may require.
